High School

Foreword

Following the tradition established by former yearbook staffs, the 1950 edition will also have as its name "Leoninus." Many readers ask: "Why this name?" We would like to pause briefly to clarify our continued use of this name. The term itself is derived from the Latin word "Leo," meaning lion. Because custom has given us the "king of the jungle" as the crowning symbol of our school seal, so it also accounts for the annual name of our yearbook publication.

Our aim in publishing the 1950 "Leoninus" has been to illuminate the pathway of high school life, to publicize our activities and achievements made possible by the untiring efforts of our classmates. We also wish to enhance forever those moments of our student career, that, though they seem altogether too minute or immaterial to cope with, will increase in a type of wordless meaning as this year 1950 grows faint and finally fades into obscurity.

In Memoriam

The faculty and student body note with deep regret the passing of Mrs. Kathryn Overly, who died October 9, 1949.

Mrs. Overly was a graduate of Millersville State Teachers College, and had taught the third grade in the New Holland Schools for over sixteen years. Previously she had been a member of the faculty at Leola and Honey Brook.

Mrs. Overly, while serving at New Holland, demonstrated far more than an excellent ability to instruct. The high value she placed on such traits as promptness and correctness make her absence felt all the more. Typical of her ways were the many times in which she placed her profession in a position higher than her physical well-being.

These habits, in addition to her careful appreciation of time and its value to others, combined to form a most respected person, whose loss is keenly felt in the New Holland Schools.

Dedication

Nearing the once-too-prolonged, now much too-rapidly-approaching end of our high school career, the class of 1950 wishes to pause in these seemingly shortened days to commend the numerous fine thoughts, words, and deeds that have been attributed to Miss Virginia M. Hoffman.

Through their entire encounter with school, many of the students in this current year's graduating class, have been beneficiaries of this high school principal's unlimited patience, heartfelt condolences, and understanding personality, not to mention her excellent presentation of knowledge and development of talents.

Complete reimbursement is impossible. But through this publication, the seventeenth for which she has served only too capably as advisor, the members of the class of '50 have tried most sincerely to express their deepest appreciation for the efforts, helpful guidance, and many illustrations of kindness and friendship contributed to them by Miss Virginia M. Hoffman.

Jason Edgar Bair

September 12, 1931

"Jason"

Baseball (4).

This quiet lad came from Goodville in 1946, and ever since, he has been an ardent sports fan. "Jason" has been a faithful candidate for basketball, and can be seen at almost all our home basketball games, cheering our team to victory.

"Jason" is the type of person who puts his heart into his work. Everything he attempts to do, he does in all sincerity and in earnest.

Whatever you do in the future, "Jason," we're sure these same characteristics will be found in your work.

Jerryldine Phyllis Beck

August 13, 1932

"Jerry"

Band (1,2,3); Glee Club (1,2,3,4); Patrol (1,2,3,4); T.C.N. Editorial Staff (1,2,3,4); Track Manager (3); Cheerleading (1,2,3,4); Leoninus Editorial Staff (4); Senior Play (4).

This vivacious lassie is a native New Hollander, and can chalk up twelve years of attendance at the New Holland Schools.

"Jerry's" interests are confined mostly within the circle of the finer arts and traveling.

Her home has been the center of many parties and lots of fun throughout her high school days.

"Jerry" has a natural interest in chic wardrobes and perfect etiquette.

She has interesting plans for an ideal future. This includes an addition to her already wide traveling experience, and the study of theatrical work and fashion designing.

Margaret Jane Berstler

May 27, 1932

"Janie"

Glee Club (1,2,3,4); Band (1,2,3,4); T.C.N. Business Staff (3,4); Leoninus Business Staff (4).

Whenever the High School Band comes marching down the street you are sure to hear that trumpet section. "Janie" has been an active member ever since she came to New Holland High from Churchtown.

"Janie" is very fond of the outdoor life, especially swimming in Churchtown's swimming holes.

She's one of the easy-going members of the class, and gets along with everyone.

In '49 the T.C.N. Business Staff chose "Janie" to represent them at the Annual Columbia Press Conference, in New York City.

Only happiness can come to one as good-natured as "Janie."

Marian Susanna Brendle

October 8, 1932

"Marian"

Glee Club (1,2,3,4); Hockey (4); Cafeteria (3,4); Leoninus Editorial Staff (4); Art Editor, Leoninus Staff (4).

Always "busy as a bee" is the phrase that best personifies the high school life of our artistically inclined Goodville scholar.

Because "Marian" has never been seen just sitting idly by, her neat and dainty appearance have never ceased to be a constant source of amazement to her associates.

"Susie" has that unusual ability to make her presence known by deed rather than word. Her success as a wing on the hockey team and her excellent domestic aid in the cafeteria bear this out quite well.

Elementary teaching is the chosen vocation of Marian. Her patience, reserved ways, and high degree of intelligence certainly will make her an excellent teacher.

Ruby Jane Clark

April 29, 1932

"Janie"

Band (1,2,3,4); Glee Club (2, 4); Patrol (2); Basketball (2); Yearbook Editorial Staff (4); Cheerleading (1); Track (1).

This natural curly-headed blonde became a member of the New Holland Schools in 1946.

Whenever there's a good argument or a choice piece of gossip, "Janie" will always stick up for her own beliefs and her friends, until the end. She has given four years of service to the high school band, as first cornetist.

"Janie's" interests are many, and she really appreciates the better things in life.

In the years ahead, "Janie" plans to be a secretary. We know she will give her future work all the sincerity and vivaciousness she put into her school life.

Richard Edwin Dagle

October 4, 1932

"Dick"

Glee Club (1); Soccer (4).

Whoom! What was that? Oh, just "Dick" taking that corner a little too swiftly in that black Buick.

He is one of the tall, slim boys of the class, who is always ready with a good hearty joke or prank.

"Dick" has shown his athletic ability by playing halfback on our soccer team, but most of his time is spent working at Howe's Swiss Cheese Plant.

"Dick" hasn't fully decided his plans for later years, but with his imaginative, creative nature, he is sure to do well in his chosen field.

Dorothy Dolores Dickinson

September 26, 1932

"Dottie"

Quill & Scroll (4); Band (1,2,3); Glee Club (1,2,3,4); T.C.N. Editorial Staff (1,2,3,4); Leoninus Editorial Staff (4); Basketball (1); Hockey (2,3); Track (1,3); G. A. A. (1); Cheerleading (1,2,3,4); Patrol (1,2); Senior Play (4); Student Council (2,3,4).

"Dottie" is one of the most versatile members of the class. She has proven her abilities in sports, music, leadership, as an outstanding feature writer for the T.C.N., and as "Lilah," the quick-tempered miss in the senior play.

She is one of the few charter members of the class of '50. In her twelve years in the New Holland Schools, her personality has developed into one of prominence.

"Dottie's" main interest is in music, which is to play a very important role in her future. With a character, a personality and talent such as hers, she has the fundamentals that will eventually lead her to success.

Clayton William Frantz

May 6, 1932

"Bill"

Glee Club (1,2,3,4); Senior Play (4).

A hearty, energetic lad joined our class in ninth grade. His name was "Bill," the guy with the wise-cracks, a flashing smile, and a twinkle in his eye.

"Bill" played an outstanding role as "Jack, the crafty student," in the senior play.

Every morning before school, he can be seen driving the truck for the West End Cleaning Service, where he is now employed. "Bill" plans to continue this business after graduation, and from his past achievements we're sure he'll have a prosperous career in the business world.

Warner Carlisle Frazier

April 4, 1932

"Warner"

Band (1,2,3,4); T.C.N. Editorial Staff (1,2,3,4); Glee Club (1,2,3,4); Quill and Scroll (4); Leoninus Editorial Staff, Editor (4); Basketball (1,2,3,4); Baseball (3,4); Senior Play (4); Track (1).

The class of '50 received a great asset when Warner joined our ranks in the seventh grade. His pleasing personality helped him become acquainted with his classmates in a short period.

Warner has had a big hand in many extra-curricular activities. He served on the T.C.N. for four years, the latter in the capacity of Associate Editor. This background was one of the main reasons for his being chosen as Leoninus editor.

Warner was also a member of the baseball and basketball squads during his high school career. With his personality, Warner will be a true success in any vocation which he may choose.

William Charles Gable

April 25, 1932

"Bill"

Basketball (1,2,3,4); Soccer (1,2,3,4); Baseball (3,4); Track (1,3); Student Council (2,3,4); President (4); Glee Club (1,2); Vice President (1).

"Here are the committees for the next dance" . . . one is able to hear Bill state, as he presides over the Student Council.

"Bill," our all-around boy of the class, may be seen in almost every sport and also supporting all the other activities of the school.

Basketball is "Bill's" favorite sport. Starring as guard for the team, he has taken his responsibility very seriously.

During any extra time, we may find this lad working at "Our Nearest Gulf Station," or with his "Green Chevvy" parked in Blue Ball.

Our Alma Mater is going to miss "Bill," but we can be confident of a splendid future for him.

Clair Robert Gehman

November 28, 1932

"Clair"

Senior Play (4).

"Now Dad, you know I wouldn't hide anything from you." Yes, those were Clair's words as he very ably portrayed the part of "Junior" in our senior play.

This frisky little man joined our class in ninth grade after he had completed eight years of schooling at Greenbank. He has been taking the commercial course in our New Holland School.

Clair likes to do most anything, but his favorite pastime is horse-back riding.

After graduation, he would like to do general office work and we feel sure Clair will be of service in this field.

Arlene Ruth Good

March 15, 1932

"Goodie"

Student Council (2,3); T. C. N. Business Staff (2,3); Business Manager, T. C. N. (4); Secretary, class and school (4); Track (1); Senior Play (4); Glee Club (1,2,3,4).

From the vicinity of Terre Hill came a girl with all the qualifications for a good and efficient secretary. Arlene has shown these abilities in extra-curricular activities and as school and class secretary.

"Goodie's" very constant laughter and cheerful smile is her own interpretation of "How to win friends and influence people."

Her tact for home-making was naturally displayed in the senior play by the ease with which she portrayed Mrs. Jones, the mother of three teen-age children.

"Goodie" may choose a career in business, but we feel sure marriage will be a stronger influence in this lady's future years.

James Leon High

November 30, 1931

"Leon"

Basketball (1,2,3,4); Soccer (2,3); Track (1,3); Vice President (2).

This wavy-haired lad entered our class in sixth grade . . . coming from Rothville. Leon's main interests have been in the field of sports ever since he joined us. In ninth grade he was a member of the Lancaster County Championship Basketball team in the Junior High Division. He has been a faithful forward since that time.

"Leon" often helps his father in the feed mill, as his informal shot indicates. Whether he works for his dad or not, after graduation, "Leon" will be the type one wishes to have numbered among his friends.

Harry Hoffman

April 20, 1932

"Harry"

Sports Manager (1,2,3,4); Glee Club (1); Patrol (1,2); Track (1).

There's never a dull moment with "Harry" around. His constant wit and sense of humor have been with us since the first grade. As an impersonator and comedian, he rates tops in adding life and laughter to the classroom.

"Harry" is always willing to lend a hand, and has been a faithful athletic and stage manager. His "back-stage" efficiency has been reflected in many programs given by our school.

With his genial personality, "Harry" is a sure bet for some lucky firm, for he will be an excellent business manager.

Beulah Mae Hoover

December 9, 1932

"Beulah"

Patrol (3,4); Senior Play (4);
Leoninus Business Staff (4);
Glee Club (2,3,4).

"Beulah" is one of the jolly girls from Hinkletown, who joined our class in our Freshman year.

It wasn't long before her abilities were made known in both the home economics department and the music department. "Beulah's" favorite pastime is sewing. She represented our glee club at county chorus in her senior year. Her musical talent was shown further as the substitute soloist at concerts.

With her many abilities and ideals, she can't help being a credit to the career she may choose.

Raymond Martin Hoover

December 14, 1932 "Hoover"

Salisbury High School

Raymond, along with two other Salisbury pupils, entered New Holland High School as a senior in the class of '50.

He has a reserved look that conceals his good humor and zest for living.

"Hoover" recently won recognition as a reader of many good books. Studying takes up a great deal of his time. His leisure hours are spent practicing difficult skating routines at Sinking Springs Rink every Tuesday night.

Farm life is in "Hoover's" blood and he is considering the study of forestry. Good luck to our ranger.

Irene Good Horning

August 27, 1932 "Renee"

Student Council (4); Leoninus Business Staff (4); Student Librarian (3,4); Glee Club (1).

Irene is the poet of our class, and her poems are very frequently found in "The Town Clock News."

As the student librarian her pleasant smile and willingness to help in finding a book have won her many admirers who say a more genuine and unpretentious friend can't be found.

Irene is a capable commercial student, and has shown her ability as the general manager of the Leoninus Business Staff. With her ability, pleasant smile, and friendliness, Irene is the embodiment of what a perfect secretary should be.

Samuel John Horning

September 3, 1932

"Horning"

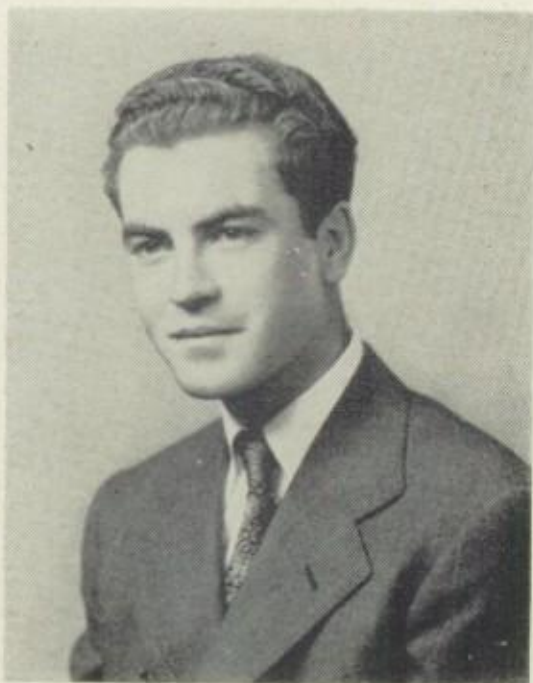

Baseball (3,4)

Goodville's contribution to the class of '50 entered the halls of N.H.H.S. in ninth grade, and since that time has gained many friends.

"Horning," the strong, silent type, has had little time for extra-curricular activities, being kept busy by his job in the Goodville post office, where he has been employed for the past few years. Nevertheless, Sam has been able to lend his talents to the local baseball team, indicating his keen interest in sports.

Undecided as to his future, "Horning's" understanding and amicable ways, coupled with his winning smile, tab him a "can't miss" in any post graduation career he might choose.

David Barton Horst

March 22, 1932

"Dave"

This tall, curly-haired lad entered the halls of New Holland High School in our Freshman year. Although Dave isn't often heard, he is certainly well-liked by all who know him.

Dave is a whiz on skates, for roller skating is one of his favorite sports. He is also a very good table tennis player and can compete with the best in this sport.

After graduation Dave has no definite plans in view as to what field he will enter, but our best wishes will follow him in everything he undertakes.

Elva Mae Houck

August 17, 1932

"Elva"

Glee Club (2,3); Patrol (4).

"Silence is Golden," is believed by this shy, easy-going lassie. Even though she doesn't have too much to say, she is usually ready with the right answer when called upon.

The opposite sex is of no interest to Elva at the present time, for her chief interests lie in reading.

Elva attended Western School before joining us in the freshman year. She has no immediate ambitions for the future but her accomplishments will probably be in the line of secretarial work.

Robert Leroy Howe

January 3, 1933

"Bob"

Glee Club (1,2).

Coming to New Holland from Centerville, "Bob" brought with him a most novel set of characteristics.

His short stature is in no way a semblance to the amount of vigor he shows when attending any basketball or baseball games. "Bob" is a master of repartee and wit.

"Bob" will in all probability follow the occupation of his father who owns and operates the Lancaster County Swiss Cheese Company.

If past achievements hold the least significance, he is certainly headed in the right direction.

Franklin Keith Kendig

October 16, 1932

"Buck"

Soccer (4); Tennis (3,4).

Whenever anyone mentions Fords, or any phase of driving, the conversation eventually finds its way to "Buck."

This boisterous, blonde lad, in addition to being an excellent tenor, is an ardent fishing enthusiast. In fact, Keith can usually be found either preparing his very complete fishing paraphernalia for future use, or utilizing it . . . relaxed by one of his favorite Mill Creek sports . . . seemingly without a care in the world.

Although uncertain as to his future, Keith will have a reputation for being a congenial, easy-going, but true friend.

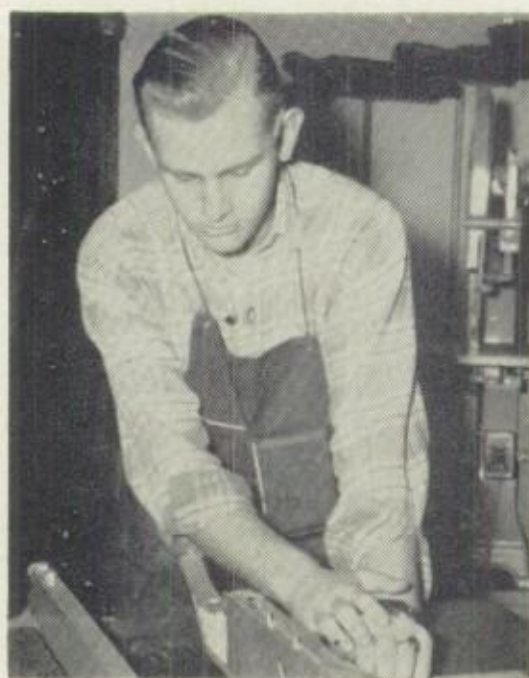

Donald Ralph Law

December 25, 1932

"Law"

Leoninus Business Staff (4).

This husky, blonde lad joined us in ninth grade, after coming from a country school in East Earl Township.

Donald's interests lie in the field of industrial arts, and during his senior year, "Law" majored in Shop.

He is one of the quieter members of the class, but his hearty laugh can be heard following many a joke.

Sometime in the future, he would like to tour the United States on a motorcycle. Motorcycles are nice . . . but be careful, Donald!

Anna Mary Martin

August 22, 1932

"Anna"

Glee Club (1,2,3); Leoninus
Business Staff (4).

"Anna" is the quiet, little blonde of the class, who is a swell friend to everyone, for she is conscientious, industrious and reserved, yet always willing to help.

From Gordonville, "Anna" joined our class in the sixth grade, to continue the long, hard climb to graduation.

Cooking and baby-sitting are the main interests of this little lady.

Her scholastic ability in the commercial field is something to be proud of. No one's a better whiz at shorthand than "Anna," and some day we know, she'll make someone a very efficient secretary.

Horace Martin Martin

June 23, 1931

"H. K."

Glee Club (1,2,3,4); Film
Staff (1,4); Leoninus Business
Staff (4); T.C.N. Business
Staff (4); County Chorus (4).

Horace was one of the "Goodville gang" which became attached to our class in our Freshman year. "H. K.," as he is called by his classmates, has always been quiet, but willing to help when there was work to be done.

He very capably served as advertising manager for the Leoninus business staff. Horace was also a competent member of the Glee Club and was a member of the County Chorus this year.

Although "H. K." took the general course, his quiet, pleasant ways will go far towards success in any job.

Joan Rosalie Martin

August 28, 1932

"Joan"

Glee Club (2,3,4).

What was Voganville's loss was New Holland's gain. Yes, Joan entered our class in the ninth grade, and brought with her a great sense of humor.

As her informal shot indicates, she can frequently be seen driving her so-called "car." This "Bucket-of-bolts" always gets her to her destination, although sometimes some unforeseen things may arise.

Although Joan has not been an active participant in school organizations, she has been a loyal supporter of their programs.

Her plans for the post-graduation period are still being formulated.

Joyce Anne Martin

June 6, 1933

"Joyce"

Salisbury: Secretary (2); Senior Play (3); Yearbook Staff (3); Minstrel (2,3).

Joyce is a newcomer to the class, after attending Salisbury for eleven years.

Her quiet mannerisms and her shy disposition have kept her out of trouble in many ways, but this does not keep her from expressing her opinions.

Home Economics takes up quite a bit of Joyce's time and interest, but she may be seen quite often skating at a nearby roller-skating rink.

Joyce has no special plans for the future, but there is no doubt that as a diligent worker, she will be a real credit to any career.

Betty Alice McCarty

January 6, 1933

"Betty"

Glee Club (1,2,3); Patrol (4);
Leoninus Business Staff (4).

Betty is the flashing redhead of the class, with a captivating smile.

She attended the Voganville School before coming to New Holland. Betty is interested in home economics, and may often be seen preparing food or making a dress . . . and what good results she does produce!

During Betty's pastime, we may find her ice-skating at her special pond, or in summer . . . swimming . . . about which she has stated, "I love it." However, this is not her only pastime. Her social life may be summarized as . . . a lot of pep . . . a lot of friends, and a lot of good times.

Betty's plans for the future are uncertain, but we feel it will be a promising one.

Lillian Mae McMinn

December 21, 1932

"Lillian"

That giggle over in yonder corner probably belongs to "Lillian." She came from Parkesburg, and she joined our class in the tenth grade.

No roller-skating party would be complete without "Lillian," for that seems to be her favorite pastime.

She has been majoring in home economics, and has proven herself to be quite a capable lass to have around the house.

An interesting future certainly awaits one who is so proficient in the practical and domestic arts.

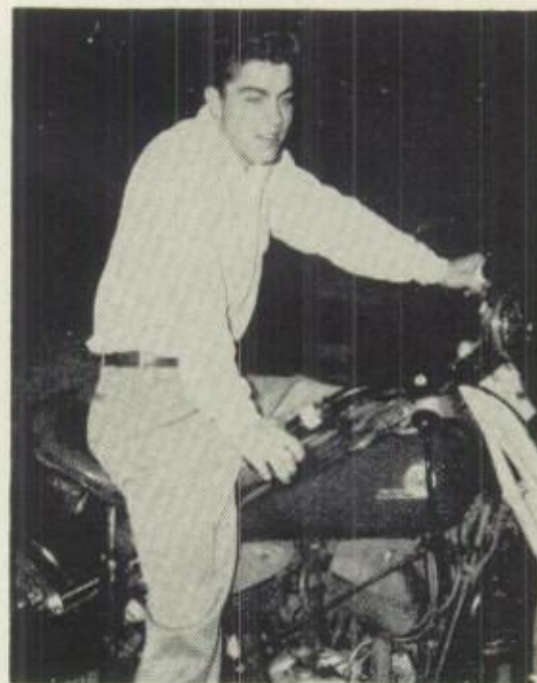

Ronald Burkhardt Mellinger

May 9, 1932

"Ronnie"

Band (1,2,3,4); Chorus (2);
Patrol (1)

That blue streak of lightning that just whizzed by was "Ronnie" on his five-year-old Indian motorcycle. Being "Ronnie's" pride and joy, the two are inseparable, and the source of many thrills and spills.

Being a twelve-year man at N.H.H.S., he has won many friends around the school. His skill on the trumpet has been a great asset to the school band also.

In the future "Ronnie" expects to continue being a truck driver and may our best wishes add pleasure to the miles he travels.

Patricia Ann Musser

March 4, 1932

"Pat"

Secretary-Treasurer (2); Basketball (2); Hockey (2,3,4); Drum Majorette (1,2,3,4); Cheerleading (1,2,3,4); Track (1,2); Student Council (2,4); Glee Club (1,2,3,4); D.A.R. Award (4); Leoninus Editorial Staff (4).

This dusty blonde has been with us ever since first grade, and has been an active member of the class all through school.

Whenever you see the high school band, you can rest assured that "Pat" is there as first majorette. She is an active cheerleader, and was presented with the D.A.R. award for being the outstanding senior girl.

"Pat's" soprano voice has very ably represented New Holland High at county and district choruses for the past two years.

Because of her understanding personality, we feel sure she will become a wonderful nurse.

Hiram Floyd Overly

April 10, 1932

"Curly"

Vice President (3).

If you can't remember the line of Tudor rulers, just ask Hiram. He has a brilliant, analytical mind, is a genuine scholar, and social sciences appeal to him.

Curly likes good, clean sports and church affairs.

He has a deep sense of responsibility, not only as a vice president of the junior class, but in the seriousness with which he has undertaken all his tasks in school and out.

The better you know him, the better you like this clean, lean ever-sharp lad, who deserves a good future.

Warren Roy Piersol

May 8, 1932

"Warnie"

Class President (1,2,3,4); Student Council (2,3,4); Basketball (1,2,3,4); Soccer (2,3,4); Tennis (3); Business Staff, T. C. N. (1).

"Warnie" has been one of the "twelve year men" of our class. His winning ways led his classmates to choose him as their president for the last four years. He filled this position most capably.

Since his freshman year, "Warnie" has been an outstanding member of the Maroon and Gray teams. He played three years of varsity soccer and basketball. "Warnie" also helped N. H. H. S. cop the County Junior High laurels in his freshman year. He plans to enter college and take a veterinarian course.

His fine qualities of leadership and sportsmanship will carry him far into any field of life that he may choose to enter.

Arlene Mae Ruoss

July 10, 1932

"Oss"

Glee Club (1,2,3,4); Color
Guard (2,3,4); Hockey (4);
Basketball (2,4); Track (1).

This vivacious miss is a cheerful bundle of vitality and loads of fun. Her laughter and her witty remarks have made her an asset to our class.

Arlene has demonstrated most of her vitality in the line of sports. One may find her retrieving the ball from the backboards to throw it to one of her forwards.

However, sport is not Arlene's only line of interest. Her love for music has also added to her popularity.

She is a native of Churchtown, and entered our class in the Freshman year.

Nursing is one of her interests for the future, but we feel that all her accomplishments will abound to her credit.

Jack Frederick Serena

July 6, 1931

"Jack"

T.C.N. (2,3,4); Soccer (3,4);
Basketball (2); Patrol (1,2);
Band (1).

"Jack" joined our ranks in the twelfth grade. His mischievous smile can be frequently seen in a classroom, as pranks are his specialty. Sports are also a favorite pastime of "Jack's" . . . as witnessed by the fact that he played on both our soccer and basketball squads. His trusty foot was a great asset to our soccer backfield.

Although he is helping to install television sets now, his quiet, gentle ways will give him a big boost in any occupation which he may choose to pursue.

Arlene Shirk

August 26, 1932

"Shirk"

Glee Club (1,2,3,4); Hockey
(2); Track (1,3); Leoninus
Business Staff (4).

Shirk's main interests lie in the field of sports. During the summer she can very often be found playing baseball for the Churchtown lassies. As a member of the track team in her Freshman year, she helped bring the track trophy to our Alma Mater. Dancing also takes a part of this energetic miss' time.

As a commercial student, Arlene is preparing to be a stenographer. Hers will be an interesting future . . . a lot of pep, and a lot of friends.

Irene Elizabeth Shirk

June 10, 1932

"Shirkie"

Leoninus Business Staff (4);
Cafeteria (1,2,3,4); Student
Council Alternate (3); Senior
Chorus (1,2,3,4).

"Number, please," are the familiar words of Elizabeth, for most of her spare time is spent working diligently as a telephone operator.

"Shirkie," a friendly pal, has been with us all the twelve years of our journey. Her willingness to work, and eagerness to please, have won her the respect and admiration of all around the school.

Elizabeth's ability in the commercial field proved to be quite an asset on the Leoninus Business Staff.

In the future she hopes to secure a secretarial position, and from her past achievements, we all know she'll be an efficient worker.

George Wiker Shirk

December 31, 1931

"George"

Track (1); Soccer (4); Glee Club (1).

Raising pigs may be fun for some people, but to George, it means real work.

Of course, he wouldn't give up his favorite pastime for any price, but still this tall, lanky fellow, from not-too-distant Narvon, believes in play . . . only after his work has been accomplished.

After spending his freshman and sophomore years in New Holland, George transferred to Honey Brook High School, but later returned to his first love for the senior session.

Despite his unique philosophy, "Shirk" has been a most ardent sports follower, even participating in soccer and track.

With a wit and smile that are as catching as he is long, George will have little trouble making his place in his chosen vocation.

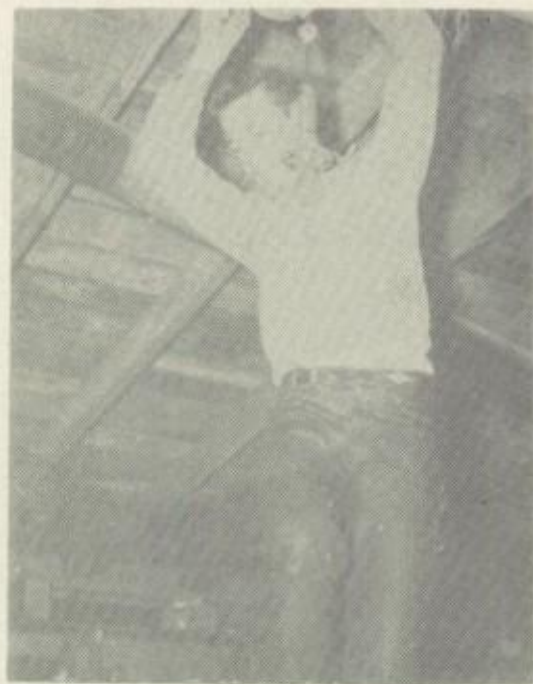

Warren Moses Shirk

November 2, 1932

"Shirkie"

Track (1); Basketball (1,4); Soccer (2,3,4); Glee Club (1).

Hunting "Shirkie"? Maybe he's busy fixing some electric wiring. Since Warren is very handy with electricity, he has been a great help at all social functions. He plans to continue working at his dad's electrical shop after graduation.

One of his favorite pastimes is roller skating, but he also finds time to drive around town in his dad's car.

Warren is another of our group who has been with us since first grade; so by the time he reached tenth grade, he was ready for the soccer team, and has proved helpful to it ever since.

Frank David Siedhof

February 9, 1933

"Siedy"

Glee Club (1).

Although Frank is one of the more bashful members of the class, his favorite interest is giving teachers gray hair.

Nothing can keep "Siedy" down. He is always on the basketball sidelines cheering the boys on to victory. The opposite sex is one thing which never bothered "Siedy" to any great extent.

He always sees the bright side of life, and with his wit and humor, how can he go wrong? We hope this lad will become the indispensable aide to some occupation.

Benjamin Clark Snyder

April 8, 1932

"Benny"

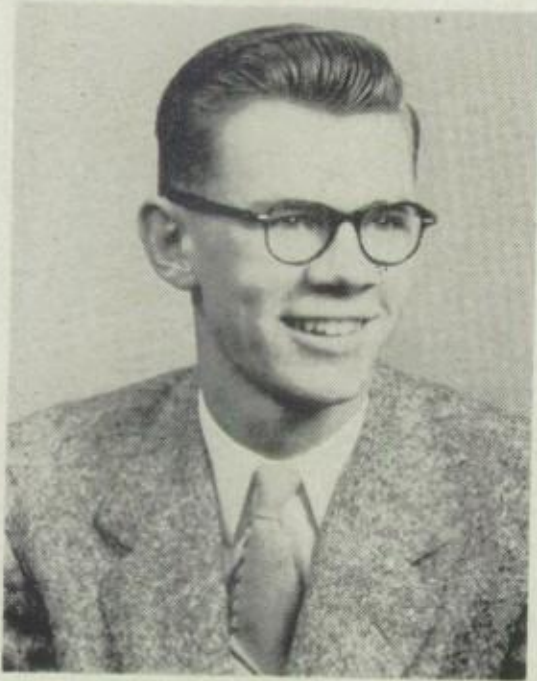

Sports Manager (1,2,3,4); Patrol (1,2); T.C.N. Business Staff (1); T.C.N. Editorial Staff (1,2,3,4); Assistant Editor T.C.N. (4); Senior Play (4); Quill and Scroll (4); Vice President, Quill and Scroll (4); Glee Club (1,2,3,4); Associate Editor, Leoninus (4); Leoninus Editorial Staff (4); Class Treasurer (1); Vice President (4).

Intelligent, Brown-haired Ben holds the distinction of being a "grand fellow" . . . one of those guys you always like to have around.

His contagious smile, excellent poise, winning personality, and common sense form a most favorable combination indeed.

"Benny" will probably be the owner of a small concern, after majoring in Business Administration next fall at Gettysburg College. With his well-balanced and successful background, illustrated by the devotion of his time and many ideas toward the betterment of N.H.H.S., his attainments in life will most certainly be counted as paramount.

Jack Walter Spotts

October 10, 1932

"Jack"

Basketball (1,2,3,4); Soccer (3,4); Track (1,3); Class Treasurer (3).

"Jack" is the happy-go-lucky guy of the class . . . full of fun, jokes, and good times. He is a stalwart lad of the highest calibre and he has been popular with his classmates during his twelve years at N.H.H.S.

"Jack's" main interests are centered in the field of sports, varying between basketball, soccer, and track. Chemistry and mathematics are his favorite subjects and in his junior year he was voted class treasurer.

Next year "Jack" plans to enter Stevens Trade School to study carpentry. We know he's one swell guy and deserves the best the future has to offer.

Lee Groff Stauffer

December 5, 1932

"Lee"

Patrol (1,2,3,4); Senior Play Understudy (4); Band (1,2,3,4); Orchestra (1); Glee Club (1,2,3,4); Sports Manager (1,2,3,4).

Wherever there's music to be played you'll find "Lee." Whether it is a dance band, marching band or orchestra, you will always find him right there, ably leading the rythm section with a steady beat. Lee was chosen this year to play in the All-State Band's snare drum section.

Music isn't Lee's only interest. For four years he has been the very capable sports manager for all New Holland High's Athletic activities.

In the fall of '50 Lee plans to enter college to study architecture. Nothing but the best can be in store for such a fine fellow.

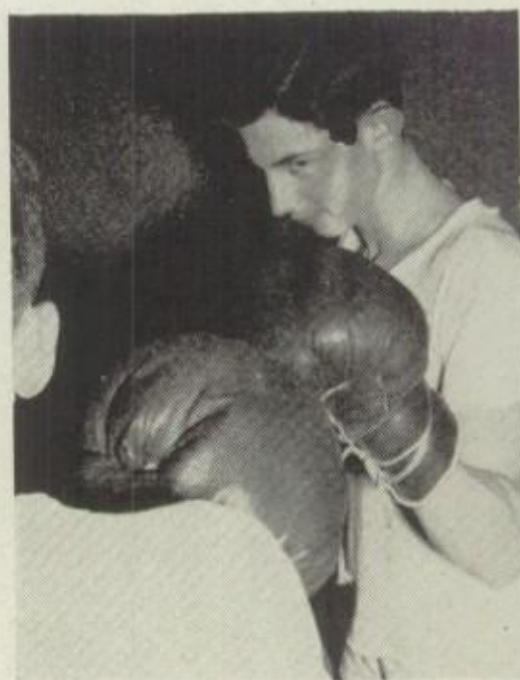

Jay Donald Stover

March 8, 1933

"Mose"

Track (1,3).

Jay is one of the shorter members of the class. What he lacks in height, he makes up in many other ways.

As a member of the high school track team he proved his abilities of speed and co-ordination, unequaled by many of larger physical size.

"Mose" spent his early school years at Eastern School, and joined our seventh grade class along with forty new classmates.

That crimson blush and quiet manner make him well-liked by all.

Janet Elaine Sweigart

July 1, 1932

"Swig"

Track (1); Cheerleading (1,2,3,4); Pianist (1,2,3,4); Glee Club (1,2,3,4); T.C.N. (1,2,3); Editor (4); Leoninus Editorial Staff (4); Senior Play (4); Basketball (1); Hockey (2,3); Quill and Scroll (4); Twirler (1,2,3,4); T.C.N. Business Staff (1); G.A.A. (1).

Here is an example of talent, brains, and energy, all bundled into one small female.

"Swig's" ability is shown not only in A-1 grades, but in a swell portrayal of "Jane" in the senior play. She masters the piano well and has a good alto voice.

Extra-curricular activities keep her stepping, but she doesn't forget her "pals" and the exchange of gossip over lunch.

We know, Janet, if you show as much vivacity in your profession as you have in your school life, nothing can stand in your way as a future "angel of mercy."

Richard Lee Sweigart

August 25, 1932

"Dick"

Basketball (1,2,3,4); Soccer (3,4); Baseball (3,4); Glee Club (1,2).

Anyone can see, Dick's interests and abilities lie in the field of sports. This six foot five inch centre has been a great asset to our basketball team ever since ninth grade. Even in soccer, our tall goalie stood by our team in the playoffs.

Dick lends a hand at the local Gulf Station, and is usually seen at Manheim Township in his spare time.

His future is undecided, but we feel sure that nothing but good can come from him and from his ideals.

Virginia Mae Tarbert

September 9, 1931

"Ginny"

Glee Club (1,2,3,4); Class Treasurer (1); School Treasurer (4); Student Council Alternate (2,3,4); Leoninus Business Staff (4).

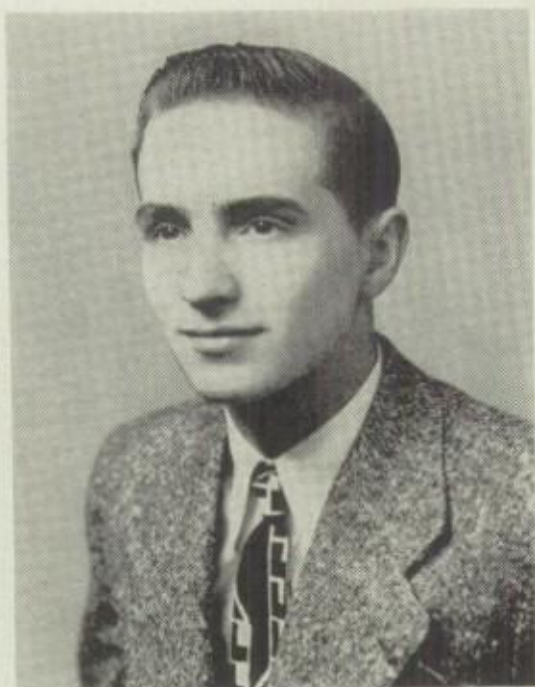

Ginny came to us from the neighboring town of Blue Ball.

She served as both School Treasurer and class treasurer in her senior year, and proved to be efficient in these undertakings.

Virginia has been active in each of our magazine contests, and this year the responsibilities of "General Manager" rested on her capable shoulders.

In the future, Virginia hopes to fill the position of bookkeeper for some business firm, and we know she will contribute much to the efficiency of any business.

Robert Gilbert Terry

November 8, 1932

"Terry"

School Patrol (1,2); Glee Club (1,2); Leoninus Business Staff (4).

Terry is among the few seniors who originally started his education in the New Holland Schools just twelve years ago.

Being rather mechanically-minded, "Terry" has prepared himself for a very promising future in the business world. His outside interests include working at Hagy's Service Station. Just a "beep" on the horn and Terry comes "a-runnin'."

Bob is also a very active member of the Leoninus Business Staff.

We do not need a fortune teller to tell us that here is a man of distinction in New Holland's business world of tomorrow.

Shirley Louise Walters

August 18, 1932

"Shirley"

Band (1,2,3,4); Glee Club (1,2,3,4); Cheerleading (1,2,3,4).

New Holland gained, from Lancaster in 1943, an attractive blonde who, in a short time, won the affection of both her classmates and teachers.

Shirley plays a smooth "sax," and one of her dreams is to sing in an all-girls chorus. With her natural aptitude for music, there lies ahead an easy road of traveling to make her dreams come true.

Any girl with her twinkling eyes, winning smile and frankness should find the future no problem.

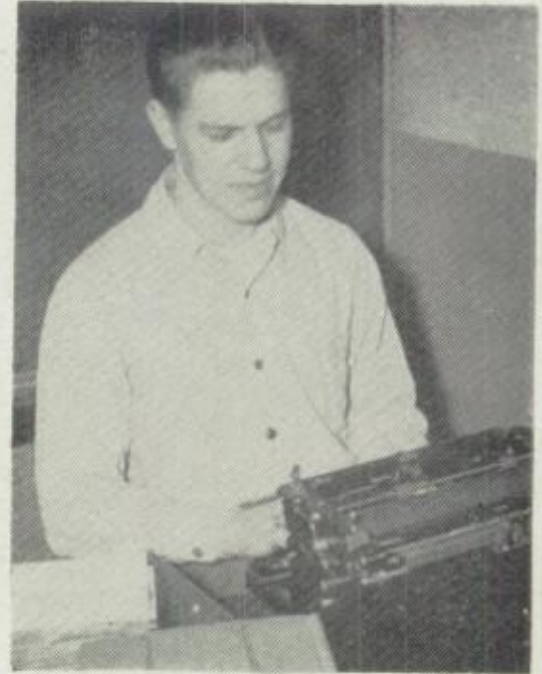

Herbert Allen Wambold

October 1, 1932

"Herb"

Glee Club (1); Leoninus Business Staff (4).

Following his earlier career in Cedar Lane, "Herb" joined our class in the ninth grade. He has majored in the commercial course, and is always most willing to lend a helping hand when any clerical work is to be done.

"Herb's" good humor and readiness to work will be long remembered by his classmates. Although he never has much to say, his irresistible smile has brightened many a dull moment.

If hard work, ability, neatness, and ambition lead to success, "Herb's" future has a very favorable forecast.

Robert Clarence Weaver

February 11, 1932

"Bob"

Soccer (2,3,4); Baseball (2,3,4); Basketball (2,3).

"Bob" is one of the most popular students in the class of '50, and has been the butt of many jokes, but of course, the source of an equal number.

Coming from Shenandoah, Florida, in his sophomore year, "Smiley" was immediately established as the regular first-sacker on the baseball squad, a position he has never relinquished.

In addition to sports, this stocky blond devotes much of his spare time to the Acme, where he is employed.

"Bob" plans to enter Lock Haven State Teachers College next fall, majoring in physical education.

Personality, versatile interests, and the best wishes of his many friends can lead "Bob" only to a most prosperous life.

William LeRoy Wenger

January 20, 1932

"Big Bill"

Salisbury High School Band (1,2); Glee Club (1,2,3); Baseball (1,2,3); Class Treasurer (1,2,3); Senior Play (3).

New Holland: Senior Chorus (4); Senior Play (4).

This jovial fellow comes from the neighboring township of Salisbury. His favorite pastimes are eating and raising dairy cattle on his father's farm.

As "Mr. Smudgely," he portrayed a typical high school principal very capably. In the school room his witty remarks and crafty jokes have amused both the faculty and students alike.

"Time" will be very important in "Big Bill's" future, as he plans to be a watchmaker. With his wholesome philosophy of life, our home-grown comedian should find his ambition becoming a reality.

Rodney Harry Witman

December 26, 1933

"Rod"

Baseball (4); Basketball (2,3,4); Soccer (4); Glee Club (1,2,3,4); Manager (1,2,3,4).

"Rod" became a part of our class in fourth grade after spending three years at Greenbank, and ever since he has been one of our liveliest members. There is plenty of action when Witman and Hoffman get together.

Rodney has been a capable manager in our field of sports ever since ninth grade, and has also played in several of our varsity sports.

"Rod's" main interests are in working with trees. He is now employed at Martin's Nursery, and expects to study at Penn State to become a horticulturist.

Roy Vincent Witwer

June 2, 1932

"Roy"

Glee Club (1,3,4)

Roy entered our class in eighth grade. He is a balanced combination of the qualities found in a student, farmer, and business man.

He is a prominent worker in the 4-H Club, and has been a member of this organization for four years. He has received many awards and prizes for his displays.

Roy can often be seen driving around New Holland in his trusty black Chevrolet. He has always helped on the farm, and will continue his agricultural pursuits after graduation.

Jay Carl Wright

August 5, 1932

"Cork"

Basketball (1,2,3,4); Baseball (2,3,4); Leoninus Editorial Staff (4); TC.N. Business Staff (3).

If there is an outburst in a classroom you can rest assured that "Cork" has just told another of his latest jokes. Yes, Carl has been the backbone of laughter in our class since we first entered school.

Basketball and baseball consume most of his spare time, and as a trusty guard, "Cork" has helped the team in winning more than one championship.

After graduation, Carl will probably enter his father's bakery, but wherever he goes, he will be remembered for his subtle wit and humor.

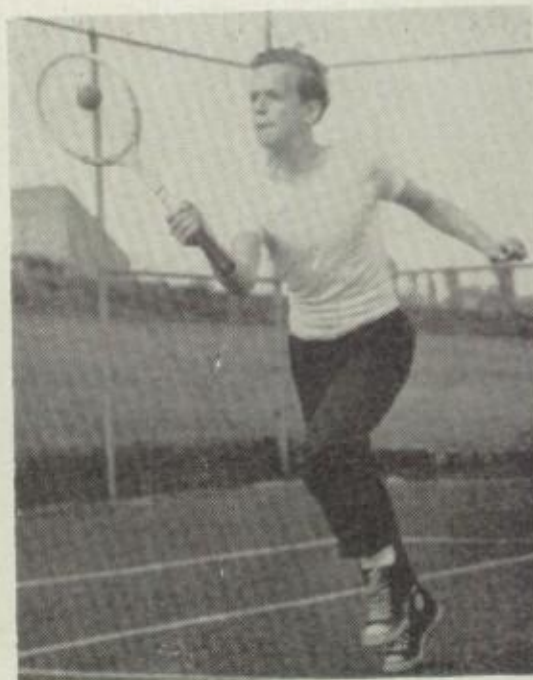

David LeRoy Yunginger

August 8, 1932

"Davy"

Secretary (3); Glee Club (1,2,3,4); Band (1,2,3,4); Film Staff (2,3,4); Soccer (2,3,4); Basketball (1,2,3,4); Tennis (3).

"Hey, Davy, are we going to see a movie today?" Yes, that's the question Davy usually is asked because he operates the moving picture projector, and knows all the latest film news.

Besides being on the film staff, he is an active sportsman, adding his contributions in the fields of basketball, tennis, and as a wing on our soccer team.

His deep bass voice was heard at county and district chorus for the past two years. Good luck, Davey, we know you'll be an asset to any business.

Janet Lois Zimmerman

April 5, 1933

"Zimmie"

Glee Club (1,3,4); Basketball (2,3,4); Hockey (3,4); Captain, Hockey Team (4); Co-captain, Basketball (4); Leoninus Editorial Staff (4); Treasurer of Patrol (4); Track (1); Band, Color Guard (3,4).

This lively energetic miss participates in all sports. Captain of the girls hockey team, and co-captain of the basketball team, indicate her interest and ability.

"Zimmie" is the baby of our class. She joined us in the ninth grade, coming from the Blue Ball grade school.

Her favorite pastime is playing the piano and spending much time with one of our star basketball players. Janet has succeeded in everything she had aimed for . . . and we know that her plans for the future will turn out as well.

Class History

In the early part of September, 1938, thirty-two pupils received their first taste of grade school under Miss Maria K. Bender. Twenty of this group are among this year's senior class.

The next year found Mrs. Bernard Rife, now deceased, as our second grade instructor.

In 1940, Mrs. Harold Overly became our third grade homeroom teacher.

Miss Mary Harsh was tutor to thirty-five students in our fourth school year, nineteen of whom were to remain in New Holland High School until the end of their school career.

The following term, forty-two pupils entered grade five under the supervision of Mrs. Anna S. Diller. Our first club was formed that year . . . the Good Citizens' Club . . . which proved of great interest. During the year we entertained the sixth grade at a party, and also held a picnic in a nearby meadow.

Miss Helen B. Fenninger was our sixth grade instructor. Twenty-two of the forty-two students are among our class members this year. As our activity, we printed a newspaper . . . "The Chatterbox" . . . with Betty Loetscher and Benny Snyder as co-editors.

In 1944, we entered into our first year of Junior High School, with thirty-seven students, under Miss Frances Baum. Twenty-four of these are members of our present day class. During our holiday season, we held a Christmas party in our homeroom, which was then Room 19.

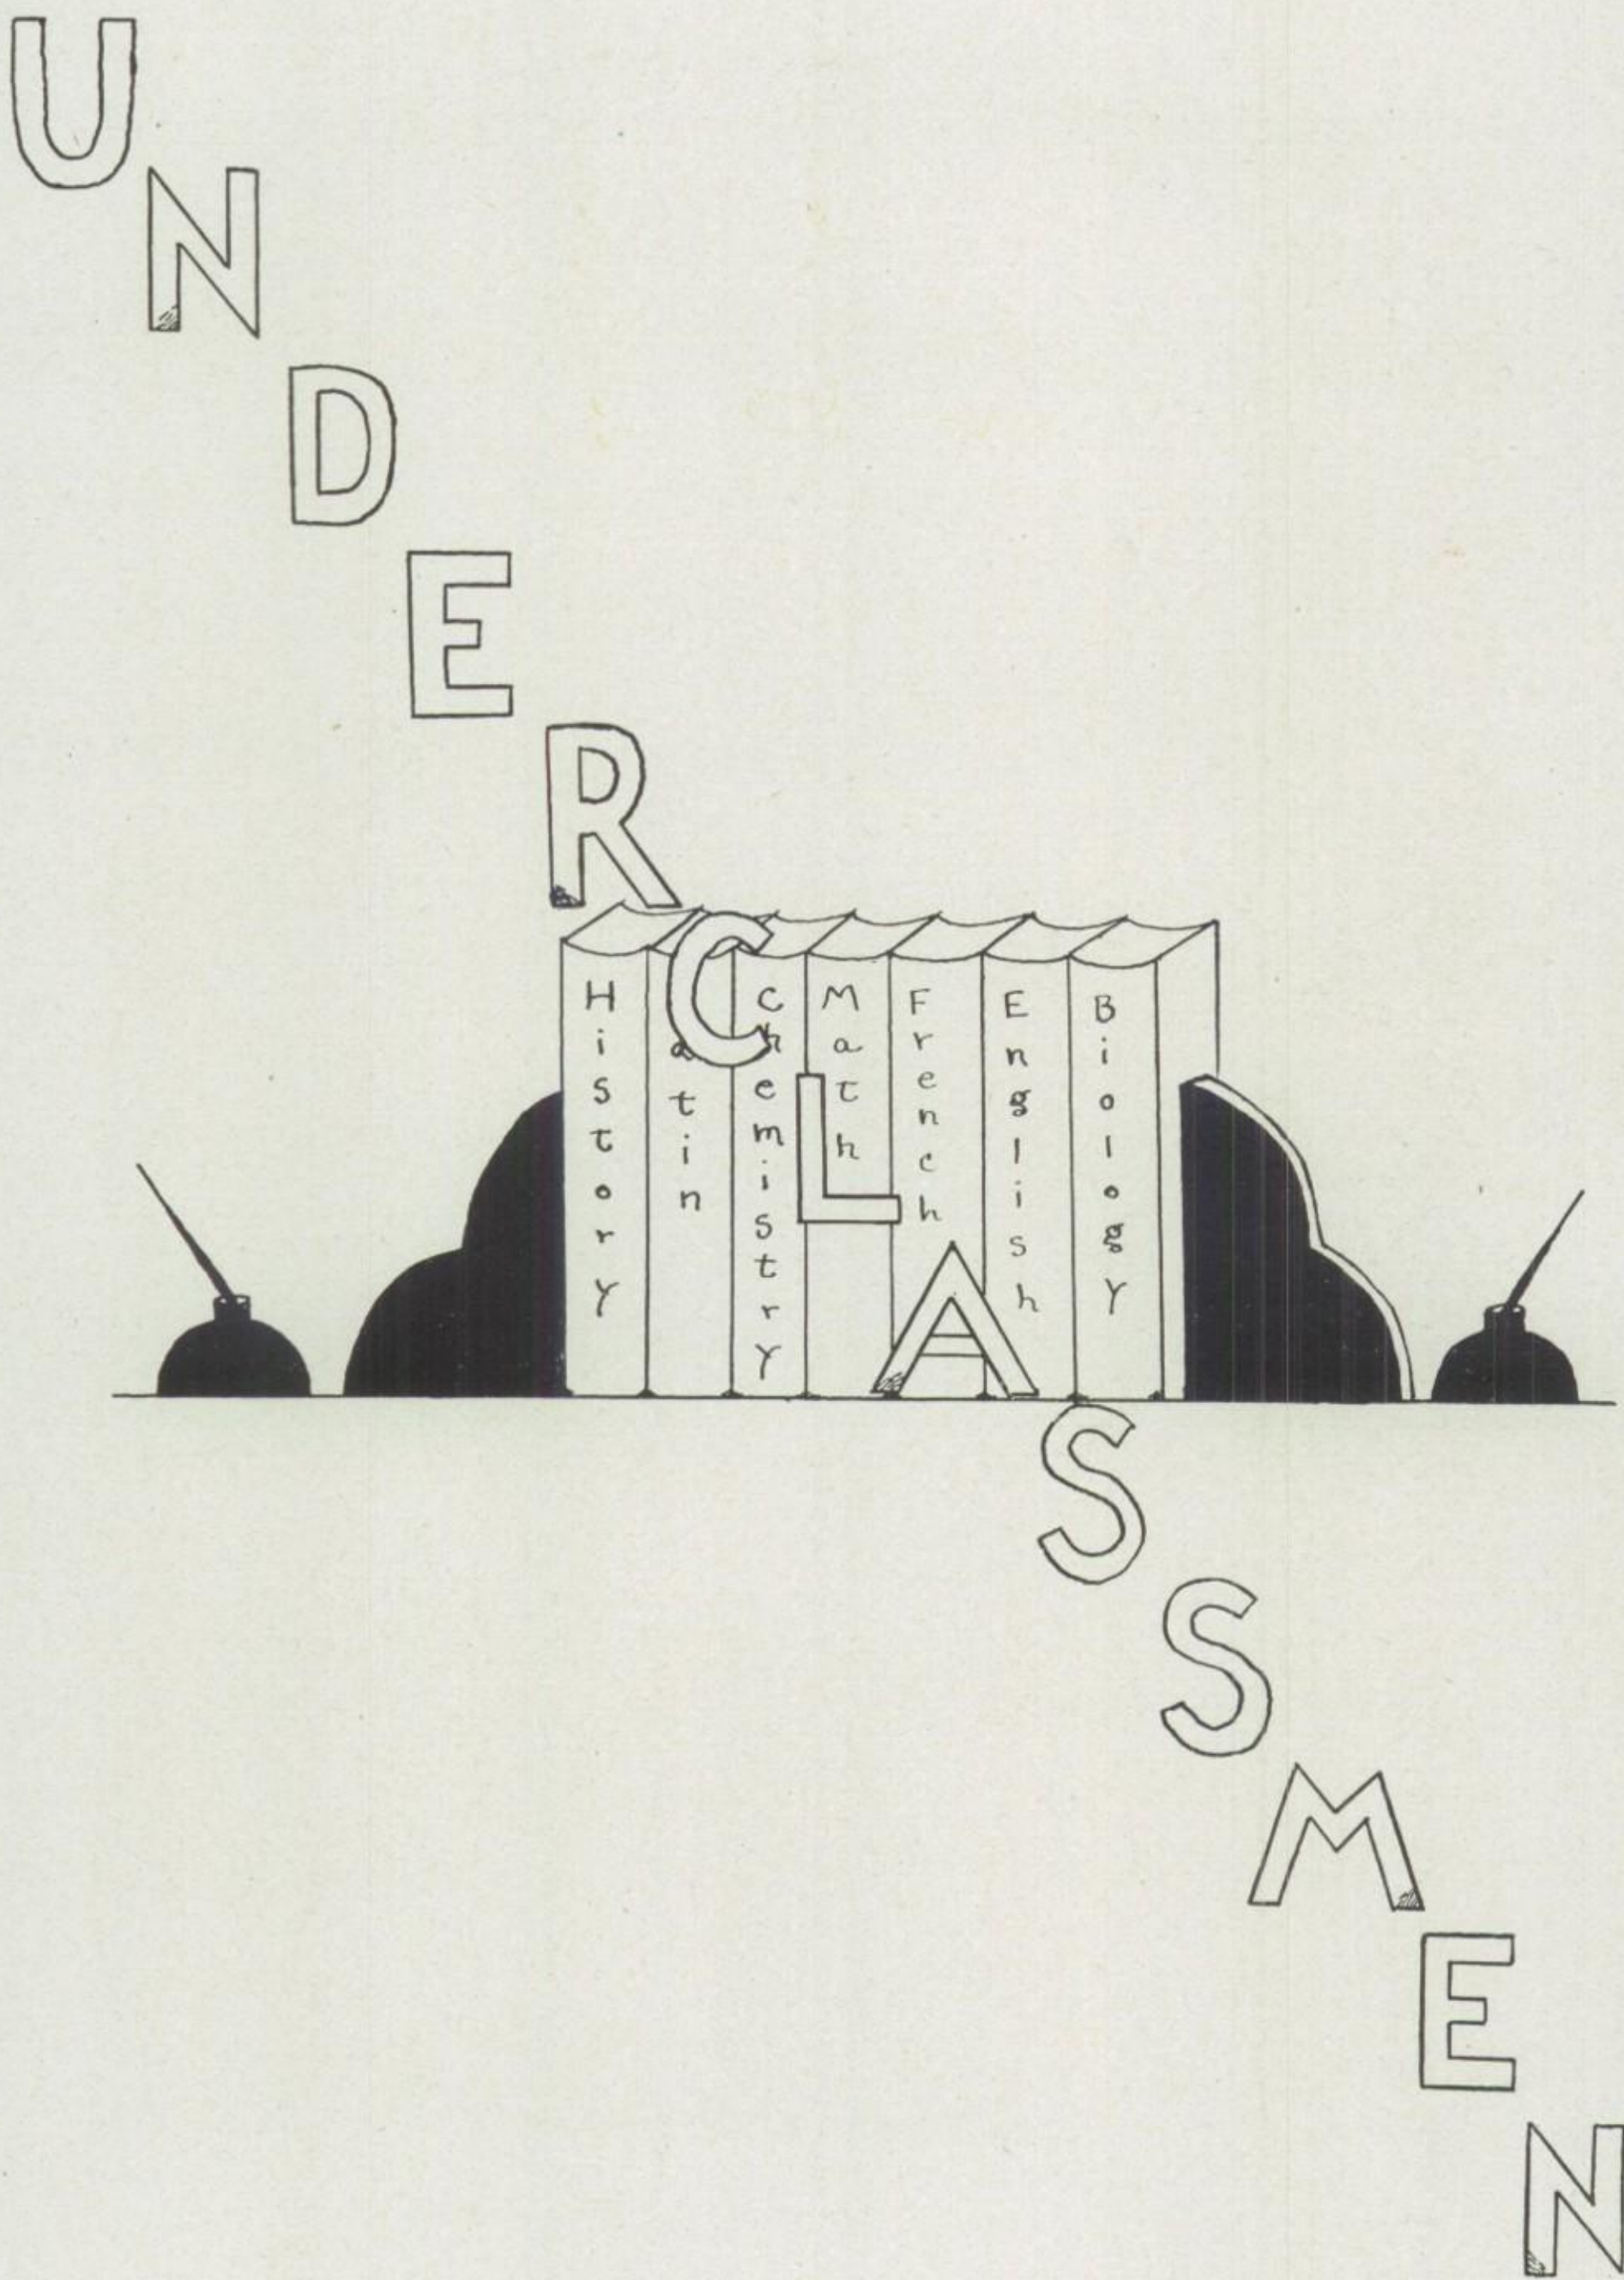

Forty-two pupils entered grade 8 with Miss Louise Bair, now Mrs. Laverne Witmer. Room 19 was again our homeroom.

Our first year in Senior High School found many students entering from outlying districts to bring our class roll to 78, which was the largest Freshman class up to that time. Fifty-four members of the class are now a part of the Class of '50. Our homeroom teachers were Miss Ruth A. Witman and Miss Jane Cromis, and Rooms No. 6 and No. 8 were our homerooms. Our class officers were: Warren Piersol, president; Bill Gable, vice president, and Benny Snyder, secretary-treasurer. Our grade and the tenth grade participated in a Christmas party, held in the auditorium.

Sixty-nine pupils entered our Sophomore year, under Mr. Robert Weaver and Miss Janet McCormack, in Rooms No. 5 and No. 8. The officers elected that year were: Warren Piersol, president; Leon High, vice president; and Pat Musser, secretary-treasurer. Our 1947 and 1948 activity was a trip to Hershey to attend a hockey game.

In our Junior year, Mr. Robert P. Simon and Miss Janet McCormack shared the supervision of fifty-nine students, fifty-four of whom will graduate this year. The officers were: Warren Piersol, president; Hiram Overly, vice president; Dave Yunginger, secretary, and Jack Spotts, treasurer. Once again we journeyed to Hershey, but this time to attend the Ice Capades. Our social calendar for that year was completed with the annual Junior-Senior Reception.

This, the last year in our Alma Mater, finds fifty-seven students who are divided into Room 1, under Mr. Robert P. Simon, and Room 8, under Mr. Roy W. Brandau. The presentation of "Almost Summer" was the first of our Senior activities, which included the Senior Prom, and the Junior-Senior Reception. It was concluded with a class trip to Washington, D. C.

Once again the New Holland Booters, under the tutorship of Mr. George Kauffman, compiled a most commendable record. The league, having ended in a tie, the Maroon and Gray and Mount Joy participated in a post-season playoff game on November 2 to determine the Lancaster County Soccer champions.

The contest was won by Mount Joy 3-2 in a night game staged at Rossmere Stadium.

Our local booters ended the regular season with a 7-1 record, their only setback coming at the hands of Mount Joy. In non-league competition, the slate showed three wins, and one tie.

The scores follow:

School Song

We're here from New Holland High;
We'll fight a good fight, we'll do or die,
Roll on Huskies, roll up the score,
Break up that pass, move up the floor.
Da-da-da! Shoot a basket,
Break up that play, crack that defense,
We're here to stay, with our team
We'll fight and cheer to a glorious
Victory! Rah! Rah! Rah!

New Holland High School can well be proud of the splendid cooperation and work done by its Student Council. Composed of twenty members and ten alternates, its aim is to create a closer relationship between the faculty and the student body, and to promote the general welfare of the school. Our Student government is widely known for originating the idea of forming a Lancaster County Student Council Organization. Since then, numerous schools throughout the county have combined to form a strong, firm organization, meeting once every year. The Council of New Holland also sends delegates to the annual District and State Conventions . . . this past year meeting at Carlisle and Coatesville, respectively.

Its undertakings this year included: obtaining bicycle racks for the playground, providing standardized frames for pictures in the hall, securing a trophy case with the money donated by the class of '49, purchasing ping-pong equipment, selecting outside assemblies for the year, and sponsoring all school socials.

The Student Council has proven to be a vital part of our school, and deserves the recognition it gets.

Elam White describes a New Holland Baler to Warner Frazier and Warren Piersol during a visit to the New Holland plant.

Leadership Is Worth Working For

Whether it's man or machine, it's hard work to gain leadership and harder work to keep it. It takes the skill and loyalty of hundreds of men to keep the New Holland Baler at the top of its field.

It took work and talent for Warner Frazier to become editor of this yearbook. And Warren Piersol didn't get to be Class President simply by wanting the job.

Leadership in high school, college, industry . . . leadership anywhere is the result of determined effort to give others something better, whether it's yourself or the product of your work.

New Holland congratulates the Class of 1950 . . . our leaders of tomorrow.

In Appreciation

The 1950 Leoninus Business Staff wishes to extend its heartiest and most sincere thanks to the faculty, the students, and the various organizations who made the publication of this yearbook possible. Special thanks go to Miss Virginia M. Hoffman and Mr. Roy W. Brandau, who so very capably headed our Leoninus editorial and business staffs; to the teachers for the use of their class time; to the Clarion Office, who cheerfully handled the printing and binding of the book; to Mr. Shelley for his fine work of photography; and to all the members of the staffs who gave hours of their time to the development and completion of this publication.

We are especially grateful to the subscribers of our advertisements. These advertisers have given us their cooperation in making our book a success . . . and now that the "Leoninus" is out of our hands and into yours, let all of us show our appreciation by reading their contributions and patronizing the contributors.
